Audi R8 Ian Wagstaff, 2022-12-30 The Audi R8 was the first in a line of world beating sports prototype cars from the Ingolstadt marque which would dominate Le Mans and would see Audi remain at the forefront of international sports car racing for over 15 years If such an award could go to a machine Audi R8 405 the car featuring in this book was surely the Man of the Match for the 2000 Le Mans 24 Hours In the end it would finish second behind one of its team mates which had a far less troubled run but it was not for want of trying by Allan McNish his co drivers Stéphane Ortelli and Laurent Aléo and their mechanics The Audi R8s would go on to dominate endurance racing for a further five years The cars had already shown what they were capable of by finishing first and second on their debut in the 12 Hours of Sebring in March 2000 At Le Mans apart from a

brief aberration when a Panoz led under a full course yellow R8 405 led the race for six hours Trouble then intervened but the car's drivers never gave up McNish setting fastest lap of the race in the morning still chasing his team mates Frank Biela Tom Kristensen and Emanuele Pirro in the eventual winning sister car That car would soon be on its way to Audi's museum but R8 405 would race on in the American Le Mans Series ALMS driven later that year by Biela and Pirro and winning at Texas Motor Speedway and Las Vegas By the end of the season 405 and the other 4 series 2000 season R8s would be rendered almost obsolete by Audi's introduction of a direct injection engine for its new 5 series R8 That did not stop 405 from competing for a further year in the ALMS albeit in private Champion Racing hands with regular drivers including Andy Wallace and Johnny Herbert Despite its tender years it would later go on to qualify as an historic car and a host of new opportunities opened up as it became one of the most raced of all the R8s In 2020 the car was acquired by enthusiast Martin Halusa with every intention of taking it back to Le Mans in the future for the biannual Classic races The enthralling story of R8 405 is told in fascinating detail in this book supported by a stunning array of photographs showing the car in action in its two years of period competition together with a gallery of fine studio images showing this Great Car as it is today
