Socrates Paul Johnson,2012-11-27 Spectacular A delight to read The Wall Street Journal From bestselling biographer and historian Paul Johnson a brilliant portrait of Socrates the founding father of philosophy In his highly acclaimed style historian Paul Johnson masterfully disentangles centuries of scarce sources to offer a riveting account of Socrates who is often hailed as the most important thinker of all time Johnson provides a compelling picture of Athens in the fifth century

BCE and of the people Socrates reciprocally delighted in as well as many enlightening and intimate analyses of specific aspects of his personality Enchantingly portraying the sheer power of Socrates s mind and its unique combination of steel subtlety and frivolity Paul Johnson captures the vast and intriguing life of a man who did nothing less than supply the basic apparatus of the human mind *Lord Loss (The Demonata, Book 1)* Darren Shan,2011-03-21 The first book in the Demonata the demonic symphony in ten parts by multi million copy bestselling horror writer Darren Shan [Bootlegger's Daughter](#) Margaret Maron,1992-05 This smart sassy series introduces Deborah Knott candidate for district judge and daughter of an infamous bootlegger Deborah s campaigning is interrupted when disturbing new evidence surrounding a murder that has never been solved surfaces and she is implored to investigate [Artemis](#) Andy Weir,2018-07-03 The bestselling author of *The Martian* returns with an irresistible new near future thriller a heist story set on the moon Jasmine Bashara never signed up to be a hero She just wanted to get rich Not crazy eccentric billionaire rich like many of the visitors to her hometown of Artemis humanity s first and only lunar colony Just rich enough to move out of her coffin sized apartment and eat something better than flavored algae Rich enough to pay off a debt she s owed for a long time So when a chance at a huge score finally comes her way Jazz can t say no Sure it requires her to graduate from small time smuggler to full on criminal mastermind And it calls for a particular combination of cunning technical skills and large explosions not to mention sheer brazen swagger But Jazz has never run into a challenge her intellect can t handle and she figures she s got the swagger part down The trouble is engineering the perfect crime is just the start of Jazz s problems Because her little heist is about to land her in the middle of a conspiracy for control of Artemis itself Trapped between competing forces pursued by a killer and the law alike even Jazz has to admit she s in way over her head She ll have to hatch a truly spectacular scheme to have a chance at staying alive and saving her city Jazz is no hero but she is a very good criminal That ll have to do Propelled by its heroine s wisecracking voice set in a city that s at once stunningly imagined and intimately familiar and brimming over with clever problem solving and heist y fun *Artemis* is another irresistible brew of science suspense and humor from 1 bestselling author Andy Weir **The Hum of Angels** Scot McKnight,2018-07-17 Would You Recognize an Angel if You Saw One The majority of earth s inhabitants believe in Angels Yet so few of us can claim to have seen one Why Perhaps it s because in order to encounter one we first have to learn what to look for and how to look We live in a world where the natural and supernatural overlap Angels are constantly on mission from God and constantly at work in this world From the Garden of Eden to the Book of Revelation Scripture is filled with hundreds of references to these wondrous creatures In this creative work Scot McKnight explores what the Bible says and doesn t say about these majestic beings And that s deeply important because angels are still on mission today They express God s love confirm His presence and even lead humans in redemptive worship Don t just believe in angels Learn how to recognize these messengers of God that are all around us and know how God might be using them to affect our lives Now available in a convenient paperback edition *The Hum of Angels* illuminates what the Bible says

about these heavenly beings and it helps you to understand the deepest truths about one of God's most magnificent and yet misunderstood creations. Most people believe in angels. It's what we believe about them that matters. Believing in angels is one thing. But how can we know what angels are really like, especially when our preconceived notions have been mostly shaped by sensationalized misinterpretations of these wondrous beings? To help sort things out, Scot McKnight untangles fact from fiction on topics such as: Do loved ones become angels when they die? Can we hear from angels? Is there a hierarchy of angels? Do we have a specific guardian angel? Should we be scared of angels? Are cherubs and seraphs different creatures than angels? Do angels have wings? Are angels worship leaders?

Kinsey and Me Sue Grafton, 2013-01-08 From the #1 New York Times bestselling author of the acclaimed Alphabet series comes a collection of stories that combines glimpses of her series detective Kinsey Millhone with a revealing self-portrait. Publishers Weekly In 1982 Sue Grafton introduced Kinsey Millhone and created an iconic female detective. Here in a story collection divided into two parts, Sue Grafton provides a glimpse of her own early life in the guise of the character Kit Blue and enriches our understanding of Kinsey Millhone, one of the spunkiest, smartest, and most entertaining private investigators in all of mystery fiction. Terrific! The Kinsey stories and the Kit stories together open a window into Grafton's soul. USA Today

Hello, Startup Yevgeniy Brikman, 2015-10-21 This book is the Hello World tutorial for building products, technologies, and teams in a startup environment. It's based on the experiences of the author, Yevgeniy Brikman, as well as interviews with programmers from some of the most successful startups of the last decade, including Google, Facebook, LinkedIn, Twitter, GitHub, Stripe, Instagram, AdMob, Pinterest, and many others. Hello Startup is a practical how-to guide that consists of three parts: Products, Technologies, and Teams. Although at its core this is a book for programmers by programmers only, Part II, Technologies, is significantly technical, while the rest should be accessible to technical and non-technical audiences alike. If you're at all interested in startups, whether you're a programmer at the beginning of your career, a seasoned developer bored with large company politics, or a manager looking to motivate your engineers, this book is for you.

Kingdom of the Wicked Kerri Maniscalco, 2020-10-27 A James Patterson Presents Novel From the #1 New York Times and USA Today bestselling author of the Stalking Jack the Ripper series comes a new blockbuster series. Two sisters. One brutal murder. A quest for vengeance that will unleash Hell itself. And an intoxicating romance. Emilia and her twin sister Vittoria are streghe witches who live secretly among humans, avoiding notice and persecution. One night Vittoria misses dinner service at the family's renowned Sicilian restaurant. Emilia soon finds the body of her beloved twin desecrated beyond belief. Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost, even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems.

When Your Kids Push Your Buttons Bonnie Harris,2014-05-01 As a parent there are certain things that are guaranteed to push your buttons You behave in ways you later regret and your child learns to manipulate you Rather than focusing on how you can change your child's behaviour this deeply insightful and wonderfully wise book focuses on you the parent When Your Kids Push Your Buttons shows that it is your own attitudes and perceptions rather than your child's behaviour that spark your anger and these are often based on your own relationship with your parents Discover how to End the cycle of action and reaction between you and your child See the hidden messages of both children and parents anger Understand why your own hidden agendas and standards as parents might push your child to act out Address behaviour problems not with anger but with new solutions Break free of the past and connect with your children Filled with anecdotes from real parents and based on hundreds of real life situations this book is destined to become a parenting classic

[The Tale of Jolly Robin](#) Arthur Scott Bailey,2018-07-03 The Tale of Jolly Robin by Arthur Scott Bailey NESTLINGS Of course there was a time once when Jolly Robin was just a nestling himself With two brothers and one sister all of them like him much spotted with black he lived in a house in one of Farmer Green's apple trees The house was made of grass and leaves plastered on the inside with mud and

lined with softer finer grass which his mother had chosen with the greatest care But Jolly never paid much attention to his first home What interested him more than anything else was food From dawn till dark he was always cheeping for something to eat And since the other children were just as hungry as he was those four growing babies kept their parents busy finding food for them It was then that Jolly Robin learned to like angleworms And though he ate greedily of insects and bugs as well as wild berries he liked angleworms best We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
